Homocatodicus.

Maestro Salvatore and Gianni his faithful squire of the Image are landing on a city where the sublime Isabella resides.

They've just got slight clues: a picture and an address : 23, Mills street.

Homocatodicus

When a Don Quijote of modern times set out to the pursuit of an impossible love, his dreams and pictures come up to his head.

Homocatodicus

A show through the screen of the cult object of our society of images and absurd.
